The stolen Ferrari

Two football fans were arrested last night near the stadium. The suspects were taken to the police station for further investigation. They allegedly stole a brand Ferrari.

The owner of the car told the police that the thieves were wearing a football team jersey. After the suspects were caught, the owner of the car was called to identify the thieves.

However, the owner of the car said that he had made a huge mistake because the car hadn't been stolen; the car had been taken by his wife to go to a concert because her car was broken.

An apology was offered to the two football fans; besides, the owner of the car offered to give them 5000 dollars to compensate his mistake. The money was not accepted. The two football fans will be released tomorrow morning.
